### **BIBLE VERSE**

**"In the beginning God created  
the heavens and earth" Genesis 1:1**

We are slowly getting into our daily routine and following our classroom rules.

1. Listen when someone is talking
2. Follow directions the first time they are given
3. Treat each other with kindness and respect
4. Take care of our school and classroom
5. Work and play safely (and quietly)
6. It's OK to make mistakes

We will begin our A-Beka Christian Value Lessons this week starting with Creation and learning our first bible memory verse!

What a wonderful first week we had in our classroom! We got to read a few of my favorite stories together, played color and shape bingo, we got to paint and learn how to hold scissors properly and I was impressed with their excitement to learn! I know we are off to a great start! This week our theme is getting to know you and we will talk about proper hand washing, and manners! I have a few stories to read about friendship to include this week as well.
