

# Meet Your TEACHERS

## Welcome Room 8 Families!

My name is Ms. Sheena and I am excited for the new school year! I have worked at CVPS since 2007 teaching TK, Pre-K and assisting our Director, Ms. Holly in the office. I love kids and have volunteered many years serving in Kids Ministry at my home church since I was a teenager! I received my Associates Degree from FIDM it wasn't until after I attended Bible College that I knew I wanted to pursue teaching. I

am currently completing my GHV courses at Palomar College & Theoria College. When I am not at school, I serve on the worship team at church. I love all things Disney, going on cruise ships, love going to Disneyland just to eat the snacks and travelling with my family. My husband Joey and I have been married for 11 years and we have 2 sweet and silly kids, Cameron(9) and Aria (6).

# Ms. Michelle

Hello! My name is Ms. Michelle and I recently joined CVPS this year. I attended Miramar college in SD, where I studied Family and Child Development. I have worked with preschool-aged children for 7 years as a director and Sunday school teacher in kids ministry at my church. I have passion in teaching in young children and truly enjoy spending time with them. I have been married for 14 years and have two boys. Both of my children happily attended and graduated from CVPS, and we have wonderful memories.

It is such a blessing to be back as a teacher! I believe in learning through play philosophy and will support the children experience new challenges that will help build their confidence while they play. I will endeavor to build a loving environment where children will learn and grow kind-hearted and strong-minded. I enjoy photography, art, foods, travel, music, dance, and spend time with my family and friends!
